## Commerce - Community Action Program Mission Statement

Our mission is to improve the quality of life in Commerce by promoting efforts to educate, mentor, and inspire the young people and children of our community. We seek to provide the leadership and resources to sustain a cross-cultural and ever-evolving organization committed to improving the economic and spiritual well-being of the families of Commerce.

It is recognized that there are many with needs in our community and also many resources available, therefore it would be helpful to match those needs to those with the resources.

One of the project goals of this organization is: To establish a resource directory for the citizens of Commerce that informs our residents and families of services that are available in our area.
